

Ooma Connect

Experience a more reliable internet and phone service using an LTE-Advanced internet connection that protects businesses from internet instability and outages.

Stay Up and Running

Make internet outages a thing of the past; keep your phone, point of sales systems, and other internet reliant tools working.

Instant Up

Scaling has never been easier. Get instant internet connectivity to support new stores, pop up kiosks, point of sales systems, branch or field offices.

Continuous Voice

Ooma patented Continuous Voice technology provides crystal-clear voice calls whenever conversations are disrupted by internet congestion, dropped packets or latency.

Simple Deployments

Installation is as easy as connecting devices and activating the service. You'll be up in no time.

LTE

Faster & More Reliable Internet

The days of relying on DSL or unreliable internet connections are over. Get catapulted to LTE speeds, making conversations clearer and transactions faster.

Ooma Connect

Make your business unstoppable.

Unreliable, slow and costly internet service is a thing of the past. Keep internet reliant point of sales tools, apps, and phone service running on the ultimate business internet solution.

Features

- High-speed LTE Advanced connection, delivering up to 600 Mbps of broadband internet access
- Gigabit ethernet routing, with option to use LTE as primary internet or backup WAN connection
- Support for IP Phones and DECT wireless handsets
- Ooma Continuous Voice uses concurrent redundancy paths for enhanced voice quality and reliability
- Simple DIY setup with flexible options to mount the indoor/outdoor LTE antenna module
- Instant availability, no activation or provisioning delays
- Expandable to provide enterprise grade managed Wi-Fi with 24x7 North American based support

Technology

- CAT 12 HPUE LTE module
- 2x8 massive MIMO antenna array
- USB 3.0
- DECT 6.0
- ULE
- 512MB memory
- 2 WAN and 1 LAN Gigabit ethernet interfaces
- Single cable with industrial IX connector
- 460 adapter operating temperature range: 0°C to 40°C
